

# Open Top Container

**Product Code:** OTCNTR

**Availability:** In Stock

**Weight:** 0.00kg

**Dimensions:** 0.00cm x 0.00cm x 0.00cm

## Short Description

20ft and 40ft sizes, Open Top Containers are perfect for top-loading and bulky cargo

## Description

Container-Sale UK offers a range of high-quality open-top containers tailored to unique requirements for industries spanning construction and manufacturing. Elevate your cargo solutions with our bespoke containers, suitable for diverse needs across the UK.

## Features and Benefits of Open-Top Containers:

1. **Top Loading Ability:** Designed for easy crane-assisted loading, ideal for cumbersome shipments.
2. **Flexible Roof Options:** Choose between a hard roof or a tarpaulin, each made for effortless detachment and adaptability.
3. **Heightened Security:** Lashing rings at the corners and side rails assure the stability of your cargo during transit.
4. **Versatile Storage:** Suited for machinery, timber, and metal scraps.
5. **Robust Construction:** Created for heavy cargo that exceeds the weight limits of standard containers.
6. **Customisation Potential:** Perfectly aligned with unique shipping needs that demand special container solutions.
